Dear Justyna,

Re: ASPIRE JS Ltd.

Further to our recent discussions I am pleased to write to you with our proposal to support ASPIRE JS Ltd. with your global growth strategy, from a strategic UK headquarters.

As discussed, our primary role is attracting significant breakthrough technologies and platforms to the UK, in order to create the next generation of high growth sustainable global technology companies. Having spoken with you and conducted an initial evaluation of the technology and its potential, we would like to support ASPIRE JS Ltd. to take advantage of our unique, global support infrastructure and network with the goal of establishing ASPIRE JS Ltd. as a dominant company in its field.

Our team works with entrepreneurs with exceptional innovative technologies from all over the world. Each entrepreneur needs to possess exceptional skills and Intellectual Property in technology. We are pleased to confirm that we have reviewed your progress to date, and following our initial technological and commercial evaluation we are pleased to formally “Greenlight” ASPIRE JS Ltd. as a unique disruptive technology of exceptional global potential, being led by a professional management team.

Following commitment from your Board to establish your strategic global HQ in the UK, we will be happy to support you to help you achieve your goals and objectives.

We look forward to working with you and your team to help accelerate your global success from the UK. Please countersign and return a copy of this letter by email/PDF if you wish to proceed.

Yours sincerely,
